

Procedural and Non-Procedural GP's
Full Time and Part Time Positions Available
(Not DPA Eligible)

We provide an exciting opportunity for qualified procedural or non-procedural GPs to utilise and develop a variety of skills in a friendly and supportive General Practice space.

Trinity Care Family Practice is GP owned and operated and conveniently located on South Road in Glandore, attracting patients from all areas of Adelaide.

We are a close-knit, dynamic and innovative team who work well together to achieve the best outcome for our patients and provide a quality service to a multicultural community.

Trinity Care Family Practice is a mixed billing practice and fully accredited with AGPAL. Our practice facilitates Telehealth services, electronic prescribing, onsite pathology and allied health services.

Responsibilities include:

- Providing skilled health assessment, diagnosis and treatment services to patients.
- Ordering diagnostic tests as needed and checking and information patients of results in accordance with clinical needs and the practice's procedure.
- Referring patients appropriately to other providers if their needs exceed the range of care you are able to provide.
- Consulting and collaborating with colleagues to provide optimal care.
- Documenting all care provided and education/information given to patients within their health record, in accordance with the practice's procedure.
- Maintaining professional knowledge and standards through continuing medical education and commitment to ongoing professional development.
- Having a working knowledge of legislation and standards of general practice.
- Practicing medicine in a way that reflects the practice's values and mission.
- Providing services courteously and respectfully, with regard to the cultural beliefs and the needs of patients, across all ages and social groups.
- Undertake all duties in a diligent manner, with honesty and integrity.

(Full Position Description available upon request)
